Making Cancer History®

GOAL

There have been advances in endoscopic treatment and technology in gastroenterology. This education activity will provide up to date didactic lectures and panel discussions followed by question and answer sessions. Participants will learn new information in gastrointestinal cancer and new endoscopic procedure techniques while using a multidisciplinary approach. During this international symposium experts from various regions will share research findings, learn from live clinical experiences and incorporate recommendations regarding Pancreato-Biliary and Gastrointestinal Cancer.

EDUCATIONAL OBJECTIVES

At the conclusion of this educational activity, participants should be able to:

- Understand endoscopic management of gastric varices.
- Identify management of gastric outlet obstruction.
- Determine multiple ways of performing ERCP.
- Evaluate how to safely resect early gastric cancer.

EDUCATIONAL METHODS

- Lectures
- Panel Discussions
- Case Studies
- Question and Answer Sessions

TARGET AUDIENCE

This symposium should be of value to gastroenterologists, medical oncologists, surgeons, interventional radiologists, internists, nurses, APPs, and endoscopy technicians.

EVALUATION

A course evaluation survey will provide participants with the opportunity to comment on the value of the program content to their practice decisions, performance improvement activities, or possible impact on patient health status. Participants will also have the opportunity to comment on any perceived commercial bias in the presentations as well as to identify future educational topics.

ACCREDITATION

In support of improving patient care, The University of Texas MD Anderson Cancer Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

CREDIT DESIGNATION

The University of Texas MD Anderson Cancer Center designates this live activity for a maximum of 14.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University of Texas MD Anderson Cancer Center designates this live activity will award 14.25 Nursing Contact Hours.

CE CERTIFICATES AND ATTENDANCE VERIFICATION CERTIFICATES

Certificates awarding *AMA PRA Category 1 Credit™* or certificates documenting attendance will be available when an individual completes the on-line evaluation.
