Program Details

The 2nd Annual Advanced Practice Provider (APP) GI Immersion is the first course in Texas dedicated to educational advancement and building knowledge for GI APPs. The focus is to provide an in-depth, state-of-the-art review and discussion on the latest developments and concepts in GI disorders and liver disease. The course will involve bringing in the expertise of military gastroenterologists to provide an interactive and invigorating learning environment to help facilitate open discussions with attendees and faculty.

Program Objectives

At the conclusion of the program, the participants will be able to:

- Understand new treatment strategies for EoE/EGIDs, Gastroparesis, and work-up of abdominal pain
- Understand IBD management options
- Understand the management of common pancreaticobiliary disorders
- Understand workup and management of common liver disorders
- Understand the management of obesity and pelvic floor dysfunction

Financial Disclosure Information

As an ACCME-accredited CME provider, UT Health Science Center San Antonio must ensure that its CME activities are independent of the control of commercial interests. All speakers and planning committee members for UT Health Science Center San Antonio sponsored programs are expected to disclose (prior to the activity) all “financial relationships” with any ineligible companies that have occurred within the past 24 months. Ineligible companies are those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. UT Health Science Center San Antonio will identify and mitigate all conflicts of interest prior to the educational activity. Detailed disclosure will be made at the beginning of the speakers’ presentations.

CME Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of UT Health Science Center San Antonio and FOCUS GI, Inc. UT Health Science Center San Antonio is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UT Health Science Center San Antonio designates this live activity up to a maximum of **7.25 AMA PRA Category 1 Credits**[™]. Physicians should claim only the credit commensurate with the extent of their participation.

Healthcare professionals will receive a certificate of attendance and should consult with their licensing board for information on applicability and acceptance.
